N. S. SAMANT,

Principal Secretary to the Govt. of Meghalaya,
Finance Department.

The 28th June, 2011.

Subject:- Voluntary retirement Scheme for unqualified and under qualified Teachers of Government Primary and Upper Primary Schools.

No.EDN-312/2010/PT1/41.—The Right of Children to Free and Compulsory Education Act, 2009 which came into force from the first day of April, 2010 contains several provisions relating to teacher quality and teacher education. This Act *inter alia* provides that :-

- i) The Central Government shall develop and enforce standards for training of teachers;
- ii) Only persons possessing minimum qualifications, as prescribed by an academic authority authorized by the Central Government, shall be eligible to be employed as teachers;
- iii) Existing teachers not possessing such prescribed qualifications would be required to acquire that qualification within a period of 5 years.

In pursuance of the mandate given to the National Council for Teacher Education (NCTE) Under Section 23 (1) of the RTE Act, 2009 the NCTE *vide* its Notification dated 23rd August, 2010 laid down the minimum qualifications for a person to be eligible for appointment as a teacher in classes I to VIII, and these qualifications are applicable to all schools established, owned and controlled by the appropriate Government and local authority and all schools as specified under clause (n) of Section 2 of the RTE Act.

Under the new norms of teacher qualifications, only those teachers having passed the Senior Secondary and have successfully completed a two years Diploma Course in Education are eligible for appointment as teachers in the Primary schools. And to be eligible to teach in the Upper Primary Section a teacher must have passed B.A./B.Sc. with Diploma in Education or B.Ed. Special Education.

Now therefore in pursuance of the notification issued by the National Council for Teacher Education dated 23rd August, 2010, the Department of Education, Government of Meghalaya have re-examined the quality and qualification of the existing Government teachers in the State of Meghalaya.

And whereas, after a detailed scrutiny and examination of the records of the above existing teachers, it is found that the State has more than 400 teachers in its payroll who are under-qualified and are not presently eligible for holding their present post of a teacher in the Primary and Upper Primary schools in the State.

And that most of these teachers are of the age between 51 to 55 years of age and do not have the requisite qualification for undergoing two years Diploma Course in Education.

Keeping in view the pace of reforms that are taking place in the Country in the field of quality Education and Human Resources Development, the State Government would only be further compounding its own financial problems in the long run if it continues to send these under-qualified teachers for training and further studies that are not going to add any improvement in their skill and in the quality of teaching in view of their old age, physical and mental weakness.

The matter was therefore been brought to the notice of the teachers through various service Association in the State headquarter and also in the Districts. Consultations and meetings were organized to create awareness about the RTE Act, 2009 and also the qualification requirements for appointment as a teacher for the Primary and Upper Primary Schools in the State and the Country as a whole. The State Government's intention for formulating a scheme of Voluntary Retirement Package for under-qualified teachers have also been discussed with these service Associations on several occasions.

Now therefore, the Governor of Meghalaya is pleased to notify a Scheme for "Voluntary Retirement of all the under-qualified Government teachers in the State of Meghalaya" so as to enable the Government to voluntarily retire these teachers and to give them a reasonable financial package as compensation for the loss of their service.

The Scheme is to be known as "Voluntary Retirement Scheme for the Under-qualified teachers" is hereby published below for general information of all concerned.

**VOLUNTARY RETIREMENT SCHEME FOR UNQUALIFIED AND UNDER-QUALIFIED TEACHERS
IN MEGHALAYA****1. Short title:**

- a) The Scheme shall be known as “ Voluntary Retirement Package for the Under qualified teachers” of Government Primary school and Upper Primary schools.
- b) The Scheme shall come into force with immediate effect and shall remain in force till such time or period the Government may consider necessary, subject to maximum of 5(five) years.

2. Extent of application:

- a) The Asstt. Teachers of Government Primary and Upper Primary Schools in Meghalaya who have been identified as un-qualified and under-qualified under the norms specified by the National Council for Teacher Education.
- b) Asstt. Teachers of Government Primary and Upper Primary schools who have crossed 50 years of age who are qualified otherwise but do not possess the Diploma in Education (D.Ed.) or professional qualification as prescribed by the NCTE.
- c) Asstt. Teachers of Government Primary and Upper Primary Schools who have crossed 50 years of age and are considered “infirm” and unfit to continue and certified by the Medical Board will also be eligible for the coverage under this scheme.

The Scheme will not be applicable to the employees against whom disciplinary proceedings.or prosecution in criminal Court is pending or contemplated.

3. Definitions :-

In this Scheme unless there is anything repugnant in the subject or the context :-

- a) “Scheme means” - Voluntary retirement package for underqualified teachers of Government Primary and Upper Primary Schools.
- b) “Employee means”-Asstt. Teachers of Government Primary and Upper Primary schools.
